

Metamark MM-CB

Chalkboard Décor Film for Blackboards

Product Description

Metamark MM-CB is a chalkboard film for use with conventional chalk or with suitable liquid chalk marker pens¹. The film is ideal for creating blackboard areas direct to walls within the décor environment as well as menu boards. It benefits from a wide roll format, and a high grab adhesive. The product allows for a clean and easy installation, and resulting in a professional finish. Markings can be wiped clean with a dry or damp cloth. The product can be printed with UV Printers with white inks, for adding graphics to the film.
