Transparent Application Tape

## Product Description

This standard tack transparent application tape is designed to suit most signmaking applications. The high visibility allows easier positioning when overlaying graphics. It is dimensionally stable and easy to unroll. It is plasticiser resistant, suitable for wet application, and can be removed easily without leaving residue.

## Features

- Transfer of computer cut pvc films.
- Excellent for transferring small letters and logos.
- Suitable for wet application.

## Application

- Apply firm pressure with a squeegee.
- Graphics are best removed with the application tape facing downwards and lifting the release liner upwards.
- If the tape becomes wet, remove immediately after application while still wet, to prevent leaving residue on the vinyl.

## Storage

- Store in a cool, dry place. Do not leave exposed in cold or damp conditions for any period of time. Do not get wet. Store on end.
