#### Our Aims

To ensure all young people are happy and safe in school and are able to learn successfully within a supportive environment.

- Are happy and safe in school and are able to learn successfully within a supportive environment.
- Are able to achieve their full potential personally, academically and socially.
- Develop and grow as independent, resourceful and resilient individuals.
- Are equipped with the skills, qualification and love of learning they will need to be successful in the world they will join us at.

## Metamark Frost

Etch Glass Effect Film

**Metamark Frost** is an 80 micron monomeric calendered frosted film, suitable for glass manifestation and privacy screening, replacing traditional acid etching.

This self-adhesive frosted glass window film produces a smooth consistent finish and a striking effect when producing decals, graphics or for architectural use when covering complete areas of glass.

Performance you can trust
