

## Metamark MI Series

Exterior Printable Metallised Films  
- Silver, Gold or Rose Gold Finish

**Metamark** Printable Metallised Exterior Films offer 3 year exterior durability, for printers using Solvent and Eco-Solvent inks. The product consists of a metallised PVC with a bright Polish or Brushed finish. Gold, Rose Gold and Silver products are silver on the reverse.

These films are suitable for vehicle and other signage onto smooth, flat or slightly curved surfaces. They are not recommended for compound curves.
