

## MetaWrap MD-XB Series

Cylinder Cast Digital Wrapping Media

**MetaWrap MD-XB** is a 50 micron ultra-conformable, extensible digital wrapping media. The soft film has been developed to flow and conform over the most challenging surfaces so it's ideal for total vehicle wraps.

The Apex adhesive system gives you assurance of high performance and trouble free application even in deeper channels and recesses, as well as offering clean removal. The grey blockout adhesive ensures vibrant graphics and minimal substrate show through.

**Performance you can trust**
