

MetaGuard 205

Dry Wipe Overlaminates

MetaGuard 205 is a specially engineered Dry Wipe Overlaminates which can be easily applied over printed MD-Class Metamark digital media, such as MD3, to create dry wipe panels with permanent base graphics.

The product is suitable for use with Dry Wipe marker pens, for indoor use only on flat panels. The clear coated film wipes clean with a dry cloth. Applications included menus and temporary information boards.

Performance you can trust
