

## Metamark MD-W300

DécorMark Pre-Pasted Wallpaper

**Metamark MD-W300** is suitable for permanent wall coverings with a traditional construction. With its non-woven paper construction gives minimal shrinkage, allowing invisible joints to be spliced in.

With its pre-pasted construction, the water activated backing offers a clean easy handling solution where pastable wall coverings is the choice. The product has a smooth satin finish and a natural paper feel. It requires no lamination and is water resistant, PVC-free and FSC® certified.
