

R Tape 4761RLA® Conform Series®

Medium High Tack Application Tape

Product Description

R Tape 4761RLA® Conform Series® application tape is a heavyweight saturated paper, features high elongation, resistance to abrasion and moisture, and exceptional conformability to printed images. The soft hand of this premium paper helps facilitate transfer and placement of small and large graphics. 4761RLA® is particularly suitable for use with vinyl films with embossed release liners. 4761RLA® with RLA® adhesive technology, features improved adhesion to paper or film release liners, yet maintains the specified adhesion level to the vinyl or printed graphic.

Features & Benefits

- Removes easily following graphics application.
- If adhesive touches adhesive, Conform pulls apart easily with no adhesive delamination.
- Works well in either wet or dry applications with no adhesive transfer
- Available in factory-cut rolls with no damaged edges for trouble-free unwind.
- Protective premask for graphics printed with UV inks and clear coats.
- Excellent surface protection for stored screen printed graphics.

Face Film		Finishes	
Adhesive:	Rubber-based	Tape thickness:	127 Microns
Tack:	Medium High Tack	Adhesion to steel:	19-21 N/100mm
Paper:	White	Tensile:	332 N/100mm
		Elongation:	12%
		Tear resistance:	70-80 grms

Application Guidelines MD-MX

- Apply firm pressure with a squeegee.
- Graphics are best removed with the application tape facing downwards and lifting the release liner upwards.
- If the tape becomes wet, remove immediately after application while still wet, to prevent leaving residue on the vinyl

MetaSure® Warranty

Metamark (UK) Limited warrants to its customers that completed decorative markings which utilise Metamark SignVinyl will remain in good condition without excessive fading or colour degradation for the specified life time of each material when correctly stored and applied in accordance with procedures outlined in the technical literature. If within the specified years of normal use Metamark SignVinyl becomes ineffective for its intended use, then Metamark will provide sufficient material to produce a new replacement marking, and will also, at its own discretion, contribute an allowance towards the costs involved in replacing the graphics. Please Note: The above data is given in good faith to provide an indication of the performance of the product. Purchasers should consider the suitability of each product for its intended use and the purchaser assumes all risks in connection with such use. Seller shall not be liable for damages in excess of the purchase price of the product nor for incidental nor consequential loss.
