

Metamark MD-WAL

'WallArt' Lite Decor Wall Covering

Metamark 'WallArt' Lite offers an ideal solution for printable wall coverings, including retail and leisure, exhibition and home decor applications, enhancing the opportunities available for wall decor.

MD-WAL is a 170 micron film, with a permanent solvent-based adhesive. It has a high level of opacity and gives a highly vibrant print image, retaining greater intensity of the colours, without lamination.

This product is a promotional product with an apex adhesive, and is part of our DécorMark range.
