

R Tape 4761RLA® Conform Series®

Medium High Tack Paper Application Tape

R Tape 4761RLA® Conform® is a premium grade, medium high tack application tape with a heavyweight saturated paper. Designed to aid the transfer and installation of small and large graphics, 4761 protects graphics printed with UV screen print inks and clear coats. Perfect for use with MetaScape® and MetaGlide® products.

The **Conform** technology in release liner adhesion resists tunnelling and edge curling, so is ideal for the preparation of graphics that need to be despatched for third party application.

Performance you can trust
