

## R Tape 4075RLA<sup>®</sup> Conform Series<sup>®</sup>

Standard High Tack Paper Application Tape

**R Tape 4075RLA Conform<sup>®</sup>** is a standard high tack application tape designed to suit most sign making applications. The paper is a standard weight saturated type designed specifically for transfer applications. The adhesive is a natural rubber with high tack levels to perform a clean pick up and transfer of vinyl graphics regardless of type of vinyl used.

The **Conform<sup>®</sup>** technology in release liner adhesion resists tunnelling and edge curling, so is ideal for the preparation of graphics that need to be despatched for third party application.

**Performance you can trust**
