

Metamark M7H Series

High-Tack High Performance
Calendered Sign Vinyl

Metamark M7 High Tack Series is supplied with a high tack adhesive, to give enhanced adhesion onto low energy and difficult to adhere to surfaces. The high grade solvent based adhesive allows wet application.

M7H Series is a high performance Calendered vinyl developed for computer-cut graphics for vehicles, window decals, and long-term applications onto flat or slightly curved surfaces.

Performance you can trust
