

Metamark MetaTex Series

Coloured Heat Transfer Flex for Textiles and Garment

MetaTex is a high quality heat transfer film, for garment markings, promotional T shirts, sportswear and workwear. The high-quality polyurethane film has an attractive matt, reflection-free surface laminated with a thermal adhesive with low tack to assist cutting and weeding.

It is washable at 60°C and is recommended for use with a heat transfer press. This Heat transfer Flex can be applied to Cotton, Cotton / Polyester Mix and Polyester / Acrylic Mix.

Performance you can trust
