

Metamark MM-CB Chalkboard

Chalkboard Decor Film

Metamark MM-CB Chalkboard is a 130 micron chalkboard film for use with conventional chalk or with compatible liquid chalk marker pens. The film is ideal for creating blackboard-effect areas that can be used for various purposes.

It can be applied directly onto walls and other surfaces within the décor environment, as well as menu boards, notice boards and much more. It benefits from a high grab adhesive, allowing for a clean and easy installation, resulting in a professional finish. Markings can be wiped clean with a dry or damp cloth.

Performance you can trust
