

## MetaGuard 850

Anti Graffiti PVDF Overlamine

**MetaGuard 850 Anti Graffiti** is a 50 micron, virtually inert, PVDF film that provides maximum protection. Graffiti can be cleaned away, using suitable non-abrasive solvents, without any damage to the laminate or the print it protects.

The overlamine delivers maximum exterior durability and is totally plasticiser free. The product also offers a very high level of UV protection to prolong the life of the print, and a high level of resistance to weathering.

**Performance you can trust**
