

Metamark MD-CV2

Clear Vision - Premium Grade Perforated
One-Way Window Film

Metamark MD-CV2 is a premium grade perforated one-way vision film, supplied on a dual core release liner to offer improved print performance. It has 40% open area and 1.6mm perforations. It is suitable for advertising applications on vehicles and buildings, maintaining visibility from the inside.

The black/white laminate has a clear adhesive to maintain full visibility through the holes and to ensure clean removal up to 6 months after application (Not recommended for application to polycarbonate). Overlaminating is recommended to maintain visibility in wet weather

Performance you can trust
