

Metamark MDi-GB

Performance Blockout Vinyl with MetaGlide® air release adhesive

Metamark MDi-GB features the MetaGlide® next generation air release system offering improved all round handling. With its micro structured air release liner, you are able to lift and reapply MetaGlide® graphics with a smooth clean peel that prevents damage to the graphic.

Metamark MDi-GB has been developed for medium term applications onto flat or simple curves, including vehicle graphics.

Performance you can trust
