

Metamark MD5-AH

High Performance Digital Vinyl with
High Tack MetaScape® System

Metamark MD5-AH has been developed to apply to 'difficult to stick to' surfaces, smooth low energy plastics such as PE and PP, and interior wall decor applications. With the added benefit of the MetaScape® adhesive system, offering faster and easier application by providing air with an exit route from under the graphic.

MD5-AH delivers outstanding print performance through the combination of Metamark's distinctive coating technology, and high performance grade polymeric calendered film.

Performance you can trust
