

Metamark MD5-H

High Performance Digital Vinyl with
High Tack Clear Adhesive

Metamark MD5-H has been developed to apply to 'difficult to stick to' surfaces, smooth low energy plastics such as PE and PP, and interior wall decor applications (for use on smooth, sealed interior walls). The product gives the additional assurance of the high bond adhesive with the MD5 series film.

MD5-H delivers outstanding print performance through the combination of Metamark's distinctive coating technology, and high performance grade polymeric calendered film.

Performance you can trust
