

Metamark MiA™ Series

Interior Architectural Films

Metamark MiA™ Interior Architectural Films offer a series of finishes which can be installed on a wide range of interior surfaces and the process is fast, clean, quiet and odour-free. The range includes finishes with authentic textures and tones.

Metamark Interior Architectural Films can be installed by professionals used to handling pressure-sensitive self-adhesive materials. Applications include kitchen refurbishment, doors, lift doors, furniture, and washroom partitions, for commercial and domestic use.

Performance you can trust
