

Metamark MD-80MRB

3 Year Calendered Removable Blockout Digital Vinyl

Metamark MD-80MRB is a 3-year calendered digital vinyl designed for short-term outdoor graphics, including advertising, point of sale, windows, advertising boards, and other promotional applications. The 80 micron film offers an economical solution for print production, with a matt finish ensuring excellent color reproduction on Solvent, Eco Solvent, Latex, and UV printers.

MD-80MRB is ideal for temporary graphics and advertising on flat surfaces, and it adheres well to high-energy surfaces like steel and glass, with clean removal possible up to six months after application.

Performance you can trust
