

Metamark MD3-H Series

High Tack Intermediate Grade Calendered Digital Vinyl

Metamark MD3-H features a high-tack adhesive designed to adhere effectively to smooth, low-energy surfaces like Polypropylene, Polyethylene, and ABS.

The clear film provides a transparent background for printed labels. MD3-H is ideal for short to medium-term applications, including use on plastic wheelie bins, plastic containers, and most flat or slightly curved surfaces.

Performance you can trust
