

Metamark MD-RU502

510gsm PET White Back POS Print Media

Metamark MD-RU502 is a semi-rigid print media for use on POS, exhibition, display, and retail applications. The 510gsm product offers excellent layflat properties.

It has a smooth matt white finish providing vibrant graphics, a 'lightstop' membrane and a white backing. It is to be used without overlamination. For use on Solvent, UV, and Latex printers.

Performance you can trust
