

# Metamark MTf™ Series

Automotive Tinting Films

**Metamark MTf™ Automotive Tinting Films** provide advanced protection, comfort, and visual enhancement for vehicles. The high performance films offer exceptional clarity, UV protection and heat rejection. They provide advanced levels of privacy and comfort within the vehicle, while enhancing the appearance of the vehicle. The films have a neutral black appearance.

For the installer they have been designed to optimise handling on the most demanding windows, and designed to give optimal heat receptive handling.
