## Metamark MD-100-A Series

3 Year Calendered Digital Vinyl with MetaScape® System

**Metamark MD-100** features the MetaScape® adhesive system, offering faster and easier application by providing air with an exit route from under the graphic, with greater repositioning during applications. This 3 year calendered digital vinyl for short to medium term outdoor graphics, is suitable for applications including advertising, point of sale, windows, advertising boards and other promotional applications.

The 100 micron film gives the product ease of handling onto flat panels, and may also be applied to slightly curved surfaces. The bright white finish offers brilliant colour reproduction on Solvent, Eco-Solvent, Latex and UV Printers.

**Performance you can trust**
